From Wednesda Daily No eastern mail arrived today.

M D Seisuer, left for Bisbae on a flying trip.

Jas Rolly is in Poents attending the Demogratic convention.

----The Republican e-constent he population of Ph nix at 15 000.

S'd Muller, was an outgoing passenger for Bis se this morning.

The school consusof Tombstore is being taken by Miss Ethel Robertson The grand jury has been impanelled

and the date has been set for Jone 11sh. The order for the trial jury bas not yet been made. Mr. Scott Wante and coildren left

the summer menths among friends. Sheriff White accompanied his family to Los Angeles. session in Cochise County until June | States .- Review.

will not last I ny. Phenix can beat of one of the large est o-trich farms in the west; it has 700 hirds now feeding on its alfalfa fields; the value of each bird is in the neighborhood of \$500 - Gaz-tte.

A total eclipse of the sun will put in an appears on May 28th in the forenoon. It does not amount to much however, for it is only the m on pasting between us and and sun.

There was a greater raintall in Arigana during the past six we ke than during the entire year of 1899. As a result both farm rs and st ckmen will be well supplied with water and min ing will be greatly as i-ted.

A valuable horse belonging to P. E. Warnskros died yesterday, having suffered an injury to its knee which later developed interbland policiting. A't efforts to save the life of the animal was unavailing.

receipt, otherwise you cannot get to Kaness City. Cochise county iyour name on the great register. I sutitled to one deligat , whether your name to not on the register you she gets it or not will be seen by the

## PHILIPPINE GOLD MINES

## Discovery of Rich Fields by Arizona Prespectors

The copy of the Manila Times of ! April 11 has been received by the "Mary James, a colored woman of Passonix R -publican, and that pournal | Eutaw, Ala, who belongs to a band says on the first page is a long arricle receiving the adventures of a party of to see the Pope on a strange mission. Arizona gold seezers at the head of she had a vistor, she raye, from the which is C M Taornetyke, formerly | Lord commanding her to go and stand the "Pailippine Mining company,"

They also organ z of the "Thorndyke Mining district," prepared a set of laws for its government, as nearly | Down &t Cummings Drug Store. in conformity with the mining laws of the Unit d States as they could formulate with the surrounding conditions. The preamble to their bylaws eays, among other things: "The situation in this district at present is entirely different from that by American miners heretofore in that in addition to the country being in a state of rebellion the district is inhabited by a race of head bunting savages. . . . If in the formation of there laws whave exceeded the authority granted to miners by the United States min ing laws it is because the laws were I formulated extemp raneously and without the aid of any see they loreference."

Thout the aid of any artificity for efference."

District officers were elected, C M
Thornkyke being made chairman officers (Chales P Petit, chairman of the first property of the first property of the first property for the first Thornwyke being made chairman o diet lot; Cha les P Petit, chairman of the court of arbitration; William Woodward, sheriff, and William M. - Bish, recorder and secretary,

Other members of the party are: W. G McCann, Charles T. Natthorst, M. A. Tripham, M. W. James, R W Carlon, Dan H Ming, F A Johnson, J T McClucky and J Hervey.

Dan H Ming, man, will remember it comes terms lake a dream me bys.

### RAID ON ALVORD

# the Bird Had Flown

Charles N Thomas, at one time late in Mexico, is a visitor in Bisbes. comes direct from Guaymas, where, this mercing for California to spend raid on the American is adquarters, totally wash away sin, "The righte-us Torres, and if Alvord is in that section markable prosperity. it is more than likely that he will be It now appears court will not be in captured and returned to the United Colonel invited the News scribe to 11th a week later than at first an-

nounced. It is also thought the term W J Young Jr. came in yesterday from a trip to the Great Western Co property in the Drag was in which he is largely interested. Mr Young states the mine continues to show wonderfully well and making a record as a copper producer, chipments being towarded regularly to the El Pa-o being uncovered in the lower work. exercises of the University of Ariz ma the payroll and developments are very mencement week, beginning Way 25, property in the near future and treat mon, Exhibition D ill of "adete, Artheir own ores.

> Deputy Bart Grover arrived yesterday with two prisoners from Crittenden and placed them in jail here pend-Camp to identify the prisoners, if they are the guilty ones, as the murderers of Scott Weather-by. Both prisoners Dyspepsia Cure are Mexicans. The officer to identify the men is expected to arrive here to night.

The demorrate are in session today Be sure to preserve your poll tax at Phenix and will send six delegates returns.

## SHE HAD A VISION

## Strange Mission to Rome of Colored Woman

A Chattanonga, Tenn, dispatch says of holiness people, has left for Romwhich is C. M. Taorndyke, formerly of Phoenix and well known to mining men throughout the territory. They prospected through the provincenorth of Manila, locating several north of Manila, locating several gave her \$1,000 to make the trip. She gave her \$1,000 to make the trip. She said attempts appropriate pet and R. V. Dannon, pet and R. V. Dannon, pet and R. V. Dannon, of the OUTLOOK EXTENSION by said parses afterward in height claimed and the same will be for the benefit of said OUTLOOK and York on the steamer Ge oa."

Come listhen b'ys Ill tell yes al' Witere jest now I have be-n. I done how i is painted at tall, I'm the fin at color ever seen

Down at Cumnings' Dauggist Sthere. Which now is painted green,

I was afther talkin to hisself
Thats phwat he sed, I ween,
sure I timk yers all agree wid nie.
When the place you have sen
Down at Cummings Druggist Sthore,
Which now is painted green.

I whant hits colors seen, We sed no son of the Old Sed, Was 'er as amed of green Down at Cummings Druggist Sthore, Which now is painted green.

Sare to go twould do yers good And see its Emeraid sheen, And melice will a yer in the mood, I'll tell yers of the things I have seen, Down at Cummings Druggist Sthere, Which now is painted green.

And toolet soaps and perfume,
With which women like to preen,
And that yer kin sale assume
lid win the heart of yer Coleen,
Down at Cutomings' Druggist Sthore,
Which now is painted green, It beings ter moind ther Ould Dart, Wid its merry village scene

in ther b've an guris to me heart, Dancing as often I have seen, Down at Cummings' Druggist Schore, Which is wis pidated green.

## EWILL WASH AWAY SIN

## The Mexican Anthorities Find Wonderful Qualities of the Hooker's Hot Springs

Col, H. C. Hooker proprietor of the mayor of Tombetone, and who has Sierra Bonita ranch, was in town heen spending much of his time of Monday and Tuesday and the Newscribe had the pleasure of meeting this Mr Thomas' turinees claims his at- estimable gentleman. The Colonel, tention throughout sonors, but he smong his many otherwart wordly possessions, is the owner of a spring to he informs the Review, considerable shose waters are attributed numerous excitement was occasioned last m dictor virtues. He related, to the Wednesday when a former Cochise News scribe, as an instance, that a county man made it known that he minister of the gospel had recently bad seen Burt Alvord at Torres, a spent reveral months at this place in town 60 or 70 miles distant from quest of health, and had fully recover-Guaymas, who was making inquiry ed. He became greatly impressed as to the time the first steamer would with the wonderful healing powers of leave for Mazatlan. Many American the spring, and on departing for his miners are stopping at Guaymas, eastern home he asserted that the awaiting a ces-ation of hostlittles, and waters of the spring would not only the authorities, upon learning that sure every known allment to which Alvord was In the c untry, made a human firsh was helr, but would achoping to capture the rold bandit. shall prosper," and so this account-Officers have been dispatched to te a great extent for the Colonel's re-

At the close of the narrative the come out at least once a month, and take a wash. We doubt very much whether cur saintly being needs an ablution so frequently as this, but we shall, however, be pleased to accept the Colon-I's invitation, and undergo an occasional apiritual renovation .-Range News,

The Prospecton acknowledges resmelter and good bodies of rich ore ceipt of an invitation to attend the ings of the mine. Over 40 men are on at Tueson, Arizona, during comflattering. It is not unlikely that the The program will include Literary company will install a smelter at their Societies' Evening. Baccal treate Sernus! U iver-ity A ldress, Commence ment and Alumni R-ception.
